

LED EMERGENCY TWIN HEAD SPOTLIGHT

OTSEN EMERGENCY TWIN HEAD SPOTLIGHT

The Otsen Twin Head Emergency Spotlight is a robust and reliable emergency lighting solution designed for demanding environments such as factories, refineries, offices, warehouses, and industrial areas. Featuring 14W LED lights, this unit provides powerful illumination during power outages. It boasts an IP65 rating, ensuring protection against dust and water. The emergency light offers a 3-hour backup duration and requires 24 hours for a full charge. Constructed with durable polycarbonate and equipped with a stainless steel bracket, it ensures longevity and stability. Additionally, the built-in self-test option simplifies maintenance and ensures operational readiness at all times

Application Areas

- Factory
- Warehouse
- Hotels
- Industrial Area
- Oil Rig
- Refinery Plant

R.O.P Approved
PACDA Approved

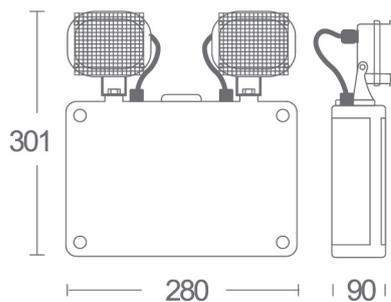

Product Features

- Highly efficient LED light source.
- IP65 High Protection Level
- 3 Hour Emergency Duration
- 2X6 pcs SMD LED
- Polycarbonate Housing and heads
- self test option available
- Stainless Steel Bracket
- White and Black Heads Available

Product & Information

Product Data	Model Number	OT-C808
	Product Colour	White
	Body Material	PC
	Product Size	280mmx301mmx90mm
	Wattage	14W
	Product Style	Wall Mounted
Technical Data	Input Wattage	AC230-240V, AC/50-60Hz
	Lighting Source	2x6pcs SMD LED
	Lumen	600LM
	Operation Mode	Non-Maintained
	Battery Type	LiFePO4 3.2V 3000mAh
	Emergency Time	> 3 Hours
	Charging Time	< 24 hours
Protection and Certification	Type of Protection	IP 65
	Certification	CE - TUV
	ROP Approved	Yes
	Auto Test	Yes
